Unlimited Partnership Awards

Please ask us if you would like this information in an alternative format.

Anyone applying to Unlimited can make up to two applications, providing one is for a Partnership Award. These are across all strands.

Partner awards bring additional funds – more money to disabled artists – and help reach areas of the cultural sector where work by disabled artists is underrepresented. This round we are proud to be working with eleven partners, all bringing something additional to the programme.

Each partner has additional set criteria. You will need to respond to these in your application.

Some partners have particular elements which are encouraged. These are not set criteria, but are aspects that the partner is interested in. You do not have to respond to these unless you wish to
